

# The Inter-Link

Bulletin Insert for the  
Ohio Association of Regular Baptist Churches

Vol. 4—Issue 2 May 2008

## Let's Make Something Happen!

Congratulations! To the Hebron Fellowship for making something happen among their thirty churches. For a number of years the Hebron fellowship has met as pastors—sometimes pastors and wives—September through April, providing ongoing enrichment with various speakers covering a wide variety of topics. The Hebron women also meet twice a year to promote missions and to encourage missionaries.

The teens have monthly gatherings, including a Bible Conference and Service Projects. For many years, the teens of the Hebron fellowship competed in Bible Quizzing over the books chosen that current year for the Talents for Christ Bible Knowledge category. These teens were off to a head start as they prepared and studied throughout the school year. Watching the teens jump for the opportunity to answer one of the twenty questions in a regular Quiz Match between participating churches is a lot of fun, as well as challenging to the adult onlookers.

But the annual capstone of the year for the Hebron Fellowship has been their annual banquet when members of the churches come together for an evening of music and challenge. This year, 2008, the Hebron churches decided to culminate their year by sharing a Sunday evening service at First Baptist Church, Elyria, April 27. They met their goal as expressed by their theme, “A Thousand Voices of Praise,” with 1,044 people present. Praise the Lord! ∞
