Dear Fellow Pastors and Sister Churches,

Our State Representative, Dr. David Warren has announced his retirement and graciously given us plenty of time to search and find his replacement. He plans to conclude his ministry at next year's annual conference (October 24-26, 2016).

This past year the Council of 12 first established a succession plan and then selected a search committee to find God's man to replace Dr. Warren as our next State Representative. The enclosed document details the Job description and profile for the position. It will take a unique and special servant of God to fulfill this critical ministry. We believe God has someone for this task. We are asking for your assistance to find him. Please look over the document carefully and then pray for this committee and the search process. If you have one or more recommendations for this position, please submit all names to Dave Hixson at the address below.

Because this process could take a long time we are establishing a deadline for recommendations. That **deadline is DECEMBER 15, 2015.**

Once the committee completes its work, they will submit a recommendation to the full Council of 12 for approval. Our goal is to then present the candidate to the messengers meeting at the Annual Conference next October 24-26, 2016 for ratification. In this way we will fulfill the requirements of our constitution which states "Personnel to fill salaried positions shall be acquired by the Council and ratified by the voting messengers at the Annual Conference."

Please pray for the search committee and help them by sending your recommendations to them.

Thank you!

Your servant,

Ken Spink
