Beloved, let us love one another, for love is of God...In this the love of God was manifested toward us, that God has sent His only begotten Son into the world, that we might live through Him.

The OWM 2011-2012 project benefits a ministry in Kosovo, a young nation that declared its independence in 2008 after a long civil war between Serbs and the Albanians. It is the home of the youngest population in Europe. The average age is 25.9 with 46% of the 2.1 million people eighteen years and younger. A solid foundation must be built, a foundation of excellent education in order to build godly character.

Association of Baptist for World Evangelism missionary, Nadine Hennesey, established the “House of Laughter,” the Kosovo Leadership Academy, which is the focus of our current project. After only 11 months of marriage and pregnant with her first child, the last thing Nadine expected was to become a widow. “The Nadine Hennesey Story” (the project DVD), presents her testimony and her ministry in Kosovo. Filmed on location in Mitrovica, Kosovo, the DVD introduces some of the people and places that played a significant role in God’s plan for Nadine’s life. Jar labels, bookmarks, and the project DVD are available from OWM President, Linda Luedeman.
